DRIVEWAY CULVERT PIPE INSTALLATION

The Superintendent of Highways or his representative shall, at the request of the property Owner, determine if a driveway culvert is needed at the new installation, will determine the culvert size (diameter), type of pipe, and schedule installation by Wayne County Highway Crew. The highway crew will provide the Owner with a maximum of two (2) six wheel dump truck loads of gravel. The Owner will order, purchase the pipe, and have the pipe delivered to the driveway location for the highway crew. Upon installation the Permitee/Owner conveys ownership to the County of Wayne, who will maintain the culvert.

Driveway Culvert Installation/Permit Fee is $200.00

****Payment shall be made to Wayne County Highway Department with a certified check, cashiers check, or money order. We also accept credit card (2.6% service fee), debit card (3.95 flat fee), E-check ($1.49 flat fee with a 3 day waiting period).**

No cash, personal check, or company checks.

In consideration of the granting of the within permit, the Undersigned hereby accepts the same subject to the restrictions and regulations therein described.
