**FOR BOARD REFERENCE:** Per General Municipal Law, Section 239-1.2, the County Planning Board review may include intercommunity and county-wide considerations in respect to the following:

- a) compatibility of various land uses with one another;
- b) traffic generating characteristics of various land uses in relation to the effect of such traffic on other land uses and to the adequacy of existing and proposed thoroughfare facilities;
- c) impact of proposed land uses on existing and proposed county or state institutional or other uses;
- d) protection of community character as regards predominant land uses, population density, and the relation between residential and nonresidential areas;
- e) drainage;
- f) community facilities;
- g) official municipal and county development policies, as may be expressed through comprehensive plans, capital programs or regulatory measures; and
- h) such other matters as may relate to the public convenience, to governmental efficiency, and to the achieving and maintaining of a satisfactory community environment.
