Copies of the SEQRA Short EAF form may be obtained upon request from the Clerk of the Board's Office.

At 9:09 a.m., Chairman Eynor opened the floor for the public, stating that people interested in making a comment regarding the Agricultural District and State Environmental Quality Review Act (SEQRA) Short Form should come forward to the podium to address the Board. The certificate of registration form shall contain information with respect to the notice requirements of a purchaser, transferee or assignee and his liability for the payment of taxes pursuant to subdivision (d) of Section 18 of this Local Law. The County Treasurer shall, within five days after such registration, issue, without charge, to each registrant a certificate of authority empowering him to collect the tax and a duplicate thereof for each additional place of business of such registrant. The County Treasurer shall issue, with the certificate of authority, general information about the tax imposed under this Local Law, including information on records to be kept, returns and payments, notification requirements and forms. Each certificate or duplicate shall state the place of business to which it is applicable. Such certificates of authority shall be prominently displayed in the places of business of the registrant. Such certificates shall be nonassignable and nontransferable and shall be surrendered to the County Treasurer immediately upon the registrant's ceasing to do business at the place named or in the event that such business never commenced.

Section 9. Administration and Collection

(a) Every person required to collect the tax shall collect the tax from the occupant when collecting the rent to which it applies. If the occupant is given any receipt or other statement or memorandum of rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the County.

(b) The County Treasurer shall, by regulation, prescribe a method or methods or a schedule or schedules, of the amounts to be collected from occupants in respect to rent upon which a tax is imposed by this Local Law so that the aggregate collection of taxes by a person required to collect tax shall, as far as practicable, equal to five (5) percent of the total rents of such person upon whom a tax is imposed by this Local Law.

(c) For the purpose of the proper administration of this Local Law and to prevent evasion of the tax hereby imposed, it shall be presumed that all rents for occupancy of hotel, motel rooms or seasonal rentals are subject to tax until the contrary is established, and the burden of proving that any rent is not taxable hereunder shall be upon the person required to collect tax or the occupant. Unless an occupant, prior to taking possession, furnished to the operator a statement which the County Treasurer may require demonstrating that the occupant is an exempt organization described in Section 6 of this Local Law, the sale shall be deemed a taxable transaction. Where such a statement has been furnished to the operator, the burden of proving that the rent is not taxable hereunder shall be solely upon the occupant. The operator shall not be required to collect tax from occupants who furnish an exempt organization statement in proper form.

(d) The County Treasurer may provide, by regulation, for the exclusion from taxable rents, rent which has been ascertained to be uncollectible or, in case the tax has been paid upon such rent, for refund of or credit for the tax so paid, he shall require an application for credit to be filed, but he may also allow the applicant to immediately take the credit on the return which is due coincident with or

immediately subsequent to the time the applicant files his application for credit. However, the taking of the credit on the return shall be deemed to be part of the application for credit and shall be subject to the provisions in respect to application for credit in Section 15 of this Local Law.

Section 10. Records to be Kept

Every operator shall keep records of every occupancy and of all rent paid, charged or due thereon and of the tax payable thereon, in such form as the County Treasurer may, by regulation, require. Such records shall include a true copy of each receipt or statement separately stating the tax charged. Such records shall be available for inspection, examination and audit at any time upon demand by the County Treasurer or his duly authorized agent at any time upon demand by the County Treasurer or his duly authorized agent or employees and shall be preserved for a period of three years, except that the County Treasurer may consent to their destruction within that period or may require that they be kept longer.

Section 11. Returns

(a) Every operator required to register pursuant to Section 8 hereof shall file a return quarterly with the County Treasurer. The return shall show all rents received or charged and the amount of tax thereon. The returns to be filed quarterly shall be filed for the quarterly periods ending on the last day of February, May, August and November of each year, and shall be filed within thirty days after the end of the quarterly period covered thereby. The County Treasurer may permit or require returns to be made by other periods and upon such dates as he may specify. If the County Treasurer deems it necessary in order to insure the payment of the tax imposed by this Local Law, he may require returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this section and upon such dates as he may specify.

(b) The form of returns shall be prescribed by the County Treasurer and shall contain such information as he may deem necessary for the proper administration of this Local Law. The County Treasurer may require amended returns to be filed within twenty days after notice and to contain the information specified in the notice.

(c) If a return required by this Local Law is not filed, or a return when filed is incorrect or insufficient on its face, the County Treasurer shall take the necessary steps to enforce the filing of such a return or of a corrected return.

Section 12. Payment of Tax

(a) Every operator required to file a return under the preceding section shall, at the time of filing such return, pay to the County Treasurer five (5) percent of the total of all rents subject to tax pursuant to this Local Law, as well as all other moneys collected by the operator acting or purporting to act under the provisions of this Local Law.

(b) The Amount payable for the period for which a return is filed shall be due and payable to the County Treasurer on the date limited for filing the return, whether or not the return is filed, or whether or not the return filed correctly shows the rents or the taxes due thereon.

(c) Where the County Treasurer, in his discretion, deems it necessary to protect revenues to be obtained under this Local Law, he may require any operator required to collect the tax imposed by this Local Law to file with him a bond, issued by a surety company authorized to transact business in this state and approved by the superintendent of insurance of this state as to solvency and responsibility, in such amount as the County Treasurer may fix, to secure the payment of any tax or penalties or interest due or which may become due from such operator. In the event that the County Treasurer determines that an operator is to file such bond, he shall give notice to such operator to that effect specifying the amount of the bond required. The operator shall file such bond within five days after the giving of such notice unless within such five days, the operator shall request in writing a hearing before the County Treasurer, at which time the necessity, propriety and amount of the bond shall be determined by the County Treasurer. Such determination shall be final and shall be complied with within fifteen days after the giving of notice thereof. In lieu of such bond, securities approved by the County Treasurer or cash in such amount as he may prescribe, may be deposited which shall be kept in the custody of the County Treasurer, who may at any time without notice to the depositor, apply them to any tax and/or interest or penalties due, and for that purpose the securities may be sold by him at public or private sale without notice to the depositor thereof.

Section 13. Determination of Tax

(a) If a return required by this Local Law is not filed, or if a return when filed is incorrect or insufficient, the amount of tax due shall be determined by the County Treasurer from such information as may be obtainable and, if necessary, the tax may be estimated on the basis of external indices, such as number of rooms, location, scale of rents, comparable rents, type of accommodations and service, number of employees and/or other factors. Notice of such determination shall be given to the person liable for the collection and/or payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within ninety days after giving notice of such determination, shall apply to the County Treasurer for a hearing, or unless the County Treasurer, on his own motion, shall re-determine the same.

(b) Whenever such tax is estimated as provided for in this section, such notice shall contain a statement in bold face type conspicuously placed on such notice advising the person: that the amount of tax was estimated, that the tax may be challenged through a hearing process, and that the petition for such challenge must be filed with the County Treasurer within thirty (30) days.

(c) After such hearing, the County Treasurer shall give notice promptly, by registered or certified mail, of his determination to the applicant. The determination of the County Treasurer shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by a proceeding under Article 78 of the Civil Practice Law and Rules, if application therefor is made to the Supreme Court within four months after the giving of the notice of such determination. A proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless the amount of any tax sought to be reviewed, with penalties and interest thereon, if any, shall be first deposited with the County Treasurer, and there shall be filed with the County Treasurer an undertaking, issued by a surety company authorized to transact business in this state and approved by the superintendent of insurance of this state as to solvency and responsibility, in such amount as a Justice of the Supreme Court shall approve to the effect that if such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding, or at the option of the applicant, such undertaking filed with the County Treasurer may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the applicant shall not be required to deposit such taxes, penalties and interest as a condition precedent to the application.

Section 14. Disposition of Revenues

All revenues resulting from the imposition of the tax under this Local Law shall be paid into the treasury of the County of Wayne and shall be credited to and deposited in a special tourism revenue line. The County of Wayne is authorized to retain sufficient revenue to defray the necessary expenses of the County in administering said tax, in an amount not to exceed 5% of the amount collected each quarter. The revenue derived from the tax, after deducting the amount provided for administering said tax as authorized by this Local Law, shall be allocated by the Wayne County Tourism department quarterly. The funds so allocated shall be used for the purpose of promoting Wayne County, its towns and villages in order to increase tourism within the County.

Section 15. Refunds

(a) In the manner provided in this section, the County Treasurer shall refund or credit, without interest, any tax, penalty or interest erroneously, illegally or unconstitutionally collected or paid if application to the County Treasurer for such refund shall be made within one year from the payment thereof. Whenever a refund is made by the County Treasurer, he shall state his reason therefor in writing. Such application may be made by the occupant, operator or other person who has actually paid the tax. No actual refund of moneys shall be made to any operator, of tax which he collected from an occupant, until he shall first establish to the satisfaction of the County Treasurer under such regulations as the County Treasurer may prescribe, that he has repaid to the occupant the amount for which the application for refund is made. The County Treasurer may, in lieu of any refund required to be made, allow credit therefore on payments due from the applicant.

(b) An application for a refund or credit made as herein provided shall be deemed an application for revisions of any tax, penalty or interest complained of and the County Treasurer may receive evidence with respect thereto. After making his determination, the County Treasurer shall give

notice thereof to the applicant who shall be entitled to review such determination by a proceeding pursuant to Article 78 of the Civil Practice Law and Rules, provided such proceeding is instituted within four months after the giving of the notice of such determination, and provided that a final determination of tax due was not previously made. Such a proceeding shall not be instituted unless an undertaking is filed with the County Treasurer in such amount and with such sureties as a Justice of the Supreme Court shall approve to the effect that if such proceedings be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.

(c) A person shall not be entitled to a revision, refund or credit under this section of a tax, interest or penalty which had been determined to be due pursuant to the provisions of Section 13 of this Local Law where he has had a hearing or an opportunity for a hearing, as provided in said section, or has failed to avail himself of the remedies therein provided. No refund or credit shall be made of a tax, interest or penalty after a determination by the County Treasurer made pursuant to Section 13 of this Local Law unless it be found that such determination was erroneous, illegal or unconstitutional or otherwise improper by the County Treasurer after a hearing or of his own motion or in a proceeding under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of said section, in which event, refund or credit without interest shall be made of the tax, interest or penalty found to have been overpaid.

Section 16. Reserves

In cases where the occupant or operator has applied for a refund and has instituted a proceeding under Article 78 of the Civil Practice Law and Rules to review, a determination adverse to him on his application for refund, the County Treasurer shall set up appropriate reserves to meet any decision adverse to the County.

Section 17. Remedies Exclusive

The remedies provided by Sections 13 and 15 of this Local Law shall be exclusive remedies available to any person for the review of tax liability imposed by this Local Law; and no determination on any application for refund shall be enjoined or reviewed by any action for declaratory judgment, an action for money had and received or by an action or proceeding other than a proceeding under Article 78 of the Civil Practice Law and Rules.

Section 18. Proceedings to Recover Tax

(a) Whenever any operator required to collect a tax shall fail to collect and pay over any tax, penalty or interest, or whenever any occupant shall fail to pay any tax, penalty or interest imposed by this Local Law as herein provided, the County Attorney shall, upon request of the County Treasurer, bring or cause to be brought an action to enforce the payment of the same on behalf of the County of Wayne in any court of the State of New York, or of any other state of the United States.

(b) If, however, the County Treasurer in his discretion believes that any such operator, officer, occupant or other person is about to cease business, leave the state or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, he may declare such tax or penalty to be immediately due and payable and may issue a warrant.

(c) As an additional or alternate remedy, the County Treasurer may issue a warrant, directed to the sheriff commanding him to levy upon and sell the real and personal property of the operator which may be found within the county for the payment of the amount thereof, with any penalties and interest, and the cost of executing the warrant, and to return such warrant to the County Treasurer and to pay to him the money collected by virtue thereof within sixty days after the receipt of such warrant. The sheriff shall, within five days after the receipt of the warrant, file with the County Clerk thereof, and thereupon such clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalties and interest for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the interest in real and personal property of the person against whom the warrant is issued. The sheriff shall then proceed upon the warrant, in the same manner, and with like effect, as that provided by law in respect to executions issued against property upon judgments of a court of record and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the County Treasurer, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the County Treasurer and in the execution thereof such officer or employee shall

have all the powers conferred by law upon sheriffs, but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. If a warrant is returned not satisfied in full, the County Treasurer may, from time to time, issue new warrants and shall also have the same remedies to enforce the amount due thereunder as if the county had recovered judgment and thereafter the execution thereon had been returned unsatisfied.

(d) Whenever an operator shall make a sale, transfer or assignment in bulk of any part or the whole of his hotel, motel or seasonal rental assets, otherwise than in the ordinary course of business, the purchaser, transferee or assignee shall, at least ten days before taking possession of the subject of said sale, transfer or assignment, or paying therefor, notify the County Treasurer by registered mail of the proposed sale and of the price, terms and conditions thereof whether or not the seller, transferor or assignor has represented to or informed the purchaser, transferee or assignee that he owes any tax pursuant to this local law, and whether or not the purchaser, transferee or assignee has knowledge that such taxes are owing, and whether any such taxes are in fact owing.

Section 19. General Powers of the County Treasurer

(b) Penalty for late filing. In addition to any other powers, penalties or remedies contained in this Local Law, as amended, the Wayne County Treasurer is hereby authorized to and shall impose a minimum fifty (\$50) dollar penalty for any return not timely filed and for which an extension has not otherwise been granted.

Section 20. Administration of Oaths and Compelling Testimony

(a) the County Treasurer, or his employees or agents duly designated and authorized by him, shall have power to administer oaths and take affidavits in relation to any matter or proceeding in the exercise of their powers and duties under this Local Law. The County Treasurer shall have power to subpoena and require the attendance of witnesses and the production of books, papers, and documents to secure information pertinent to the performance of his duties hereunder and of the enforcement of this Local Law, and to examine them in relation thereto, and to issue commissions for the examination of witnesses who are out of the state or unable to attend before him or excused from attendance.

(b) A justice of the Supreme Court either in court or at chambers shall have power summarily to enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers and documents called for by the subpoena of the County Treasurer under this Local Law.

(c) Any person who shall refuse to testify or to produce books or records or who shall testify falsely in any material matter pending before the County Treasurer under this Local Law shall be guilty of a misdemeanor, punishment for which shall be a fine of not more than one thousand dollars or imprisonment for not more than one year, or both such fine and imprisonment.

(d) The officers who serve the summons or subpoena of the County Treasurer and

Such officers shall be the county sheriff and his duly appointed deputies or any officers or employees of the Treasurer's Office, designated to serve such process.

Section 21. Reference to Tax

Wherever reference is made in placards or advertisements or in any other publications to this tax, such reference shall be substantially in the following form: "Tax on occupancy of hotel or motel rooms, or "seasonal rentals" except that in any bill, receipt, statement or other evidence or memorandum of occupancy or rent charge issued or employed by the operator, the words "occupancy tax" will suffice.

Section 22. Penalties and Interest

(a) Any operator failing to file a return or to pay or pay over any tax to the County Treasurer within the time required by this Local Law shall be subject to a penalty of five (5%) percent of the amount of tax due if such failure is for not more than one month, with an additional one (1%) percent for each additional month or fraction thereof during which such failure continues, not exceeding twenty-five percent in the aggregate, plus interest at the rate of one percent of such tax for each month of delay after such return was required to be filed or such tax became due.

(b) If the County Treasurer determines that such failure or delay was due to reasonable cause and not due to willful neglect, he shall remit all of such penalty and that portion of such interest that exceeds interest at the rate of six percent. The County Treasurer shall promulgate rules and regulations as to what constitutes reasonable cause.

(c) If the failure to file a return or to pay over any tax to the County Treasurer within the time required by this Local Law is due to fraud, there shall be added to the tax a penalty of fifty percent of the amount of the tax due (in lieu of the penalty provided for in paragraph (1), plus interest at the rate of one percent of such tax for each month of delay after such return was required to be filed or such tax became due. Such penalties and interest shall be paid and disposed of in the same manner as other revenues from this Local Law. Unpaid penalties and interest may be determined, assessed, collected and enforced in the same manner as the tax imposed by this Local Law.

(d) Any operator failing to file a return or report required by this Local Law or filing or causing to be filed, or making or causing to be made, or giving or causing to be given any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this Local Law, which is willfully false, or willfully failing to file a bond required by this Local Law or willfully failing to comply with the provisions of Section 12(c) of this Local Law, or failing to file a registration certificate on such date in connection therewith as the County Treasurer by regulation or otherwise may require, or to display or surrender a certificate of authority as required by this Local Law, or assigning or transferring such certificate of authority, or willfully failing to charge separately the tax herein imposed or to state such tax separately on any bill, statement, memorandum or receipt issued or employed by him upon which the tax is required to be stated separately as provided in Section 10, or willfully failing to collect the tax from a customer, or who shall refer or cause reference to be made to this tax in a form or manner other than that required by this Local Law, or failing to keep any records required by this Local Law, shall, in addition to any other penalties herein or elsewhere prescribed, be guilty of a misdemeanor, punishment for which shall be a fine of not more than one thousand dollars or imprisonment for not more than one year, or both such fine and imprisonment. The penalties provided herein shall not apply to a failure to surrender a certificate of authority which is required to be surrendered where business never commenced.

(e) The certificate of the County Treasurer to the effect that a tax has not been paid, that a return, bond or registration has not been filed, or that information has not been supplied pursuant to the provisions of this Local Law, shall be presumptive evidence thereof.

(f) The penalties provided for in this section shall not preclude prosecution pursuant to the penal law with respect to the willful failure of any person to pay over to the county any tax imposed by this Local Law, whenever such person has been required to collect and has collected any such sales tax.

Section 23. Returns to be Secret

(a) Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the County Treasurer or any officer or employee of this department, or any person who in any manner may acquire knowledge of the contents of a return or report filed with the County Treasurer

pursuant to this Local Law, to divulge or make known in any manner any particulars set forth or disclosed in any such return or report. The County Treasurer shall not be required to produce any returns or reports, or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the County Treasurer in an action or proceeding under the provisions of the tax law or in any other action or proceeding involving the collection of a tax due under this Local Law to which the county or the County Treasurer is a party or a claimant, or on behalf of any party to any action, proceeding or hearing under the provisions of this Local Law, when the returns, reports or facts shown thereby are directly involved in such action, proceeding or hearing, in any of which events the court, or in the case of a hearing, the County Treasurer may require the production of, and may admit into evidence, so much of said returns, reports or of the facts shown thereby, as are pertinent to the action, proceeding or hearing and no more. The County Treasurer may, nevertheless, publish a copy or a summary of any decision rendered after a hearing required by this Local Law. Nothing herein shall be construed to prohibit the delivery to a person who has filed a return or report or his duly authorized representative of a certified copy of any return or report filed in connection with his tax. Nor shall anything herein be construed to prohibit the delivery to a person required to collect the tax under this Local Law or a purchaser, transferee or assignee personally liable under the provisions of Section 18(d) of this Local Law for the tax due from the seller, transferor or assignor, of any return or report filed under this Local Law in connection with such tax, provided however, that there may be delivered only so much of said return, report or of the facts shown thereby as are pertinent to a determination of the taxes due or liability owned by such person or purchaser, transferor, or assignee and no more, or to prohibit the publication of statistics so classified as to prevent the identification of particular returns or reports and the items thereof, or the inspection by the County Attorney or other legal representatives of the County of the return or report of any person required to collect or pay the tax who shall bring action to review the tax based thereon, or against whom an action or proceeding under this Local Law has been recommended by the County Treasurer or the County Attorney, or has been instituted.

(b) Returns filed under this Local Law shall be preserved for three years and thereafter until the County Treasurer orders them to be destroyed.

(c) Any violation of subdivision (a) of this section shall be punishable by a fine not exceeding one thousand dollars, or by imprisonment not exceeding one year, or both, in the discretion of the court, and if the offender be an officer or employee of the county, he shall be dismissed from office and be incapable of holding any public office for a period of five years thereafter.

Section 24. Notices and Limitations of Time

(a) (1) Any notice authorized or required under the provisions of this Local Law may be given by mailing the same to the person for whom it is intended in a postpaid envelope addressed to such person at the address given in the last return filed by him pursuant to the provisions of this Local Law, or in any application made by him, or, if no return has been filed or application made, then to such address as may be obtainable. A notice of determination shall be mailed promptly by registered or certified mail. The mailing of such notice shall be presumptive evidence of the receipt of same by the person to whom addressed. Any period of time which is determined according to the provisions of this Local Law by the giving of notice shall commence to run from the date of mailing of such notice.

(2) If any return, claim, statement, notice, application or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under authority of any provision of this Local Law is, after such period or such date, delivered by United States mail to the County Treasurer or his office, the date of the United States postmark stamped on the envelope shall be deemed the date of delivery. This subdivision shall apply only if the postmark date falls within the prescribed period or on or before the prescribed date for the filing of such document, or for making the payment, including any extension granted for such filing or payment, and only if such document or payment was deposited in the mail, postage prepaid, properly addressed to the County Treasurer or his office. If any document is sent by United States registered mail, such registration shall be prima facie evidence that such document was delivered to the County Treasurer or his office. Certified mail may be used in lieu of registered mail under this section. This subdivision shall apply in the case of postmarks not made by the United States Post Office only if and to the extent provided by regulation of the County Treasurer.

(3) When the last day prescribed under authority of this Local Law (including any extension

of time) for performing any act falls on a Saturday, Sunday or a legal holiday in the State of New York, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or a legal holiday.

(b) The provisions of the Civil Practice Law and Rules or any other law relative to limitations of time for the enforcement of a civil remedy shall not apply to any proceeding or action taken by the county to levy, appraise, assess, determine or enforce the collection of any tax or penalty provided by this Local Law. However, except in the case of a willfully false or fraudulent return with intent to evade the tax, no assessment or additional tax shall be made after the expiration of more than three years from the date of filing of a return; provided, however, that where no return has been filed as provided by law the tax may be assessed at any time.

(c) Where, before the expiration of the period prescribed herein for the assessment of an additional tax, a taxpayer has consented in writing that such period be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

Section 25. Separability

If any provision of this Local Law or the application thereof to any period or circumstances, is held invalid, the remainder of this Local Law, and the application of such provisions to other persons or circumstances shall not be affected thereby.

Section 26. Effective Date

This Local Law shall take effect immediately upon filing with the Office of the Secretary of State.

Mr. Lasher moved the adoption of the resolution. Seconded by Mrs. Bender. Upon roll call, adopted.

RESOLVED, that said local law is hereby adopted to read as follows:

COUNTY OF WAYNE - STATE OF NEW YORK LAW NO. 8 FOR THE YEAR 2023

A Local Law to Amend Local Law No. 2-2019, as established by Local Law No. 2-1995 to amend the Installment Payment of Eligible Delinquent Real Property Taxes pursuant to Real Property Tax Law Section 1184.

BE IT ENACTED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE, as follows:

SECTION 1. PURPOSE

This local law is enacted pursuant to the provisions of Section 1184 of the Real Property Tax law of the state of New York for the purpose of providing for the installment payment of eligible delinquent real property taxes.

SECTION 2. DEFINITIONS

As used in this Section:

- (a) "County" means the County of Wayne;
- (b) "County Treasurer" means the County Treasurer of the County of Wayne;
- (c) "Eligible delinquent taxes" means delinquent taxes, including interest, penalties, and other charges which have accrued against a parcel as of the date on which an installment agreement is executed;
- (d) "Eligible owner" means an owner of real property who is eligible to or has entered into an installment agreement;
- (e) "Installment agreement" means a written agreement between an eligible owner and the County Treasurer providing for the payment of eligible delinquent taxes in installments pursuant to the provisions of Section 1184 of the Real Property Tax Law and this local law.

SECTION 3. AUTHORIZATION

The County Treasurer is authorized to enter into an installment agreement with an eligible owner providing for the payment of eligible delinquent taxes in installments. Such installment payment of eligible delinquent taxes shall be made available to each eligible owner on a uniform basis pursuant to the provisions of Section 1184 of the Real Property Tax Law and this local law. The installment payment of eligible delinquent taxes shall commence upon the signing of an installment agreement between the County Treasurer and the eligible owner. The agreement shall be kept on file in the office of the County Treasurer.

SECTION 4. PROPERTIES

This local law shall apply to all classes of properties within Wayne County.

SECTION 5. ELIGIBILITY DATE

An owner of real property shall be eligible to enter into an installment agreement pursuant to this local law no earlier than thirty days after the delivery of the return of the unpaid taxes to the County Treasurer and no later than November 30th of the current year. After November 30th it shall be the County Treasurer's discretion if a contract is to be entered into.

SECTION 6. INSTALLMENT AGREEMENT PROVISIONS

Such installment agreement shall provide:

- (a) The maximum term of an installment agreement, which shall not exceed twenty-four months;
- (b) The payment schedule which shall be monthly;
- (c) A required minimum initial down payment, which shall be ten (10%) percent of the eligible delinquent taxes but not exceed 25% of the eligible delinquent taxes, although an eligible owner may make larger initial down payment if the eligible owner so chooses.

SECTION 7. RESTRICTIONS

A property owner shall not be eligible to enter into an installment agreement pursuant to this local law where;

- (a) There is a delinquent tax lien on the same property for which the application is made or on another property owned by such person and such delinquent tax lien is not eligible to be made part of the agreement pursuant to this local law;
- (b) Such person is the owner of another parcel within Wayne County on which there is a delinquent tax lien, unless such delinquent tax lien is eligible to be and is made part of the agreement pursuant to this local law; or
- (c) Such person was the owner of property on which there existed a delinquent tax lien and which lien was foreclosed within three years of the date on which an application is made to execute an agreement pursuant to this local law.
- (d) Such person defaulted on an agreement executed pursuant to this section within three years of the date on which application is made to execute an agreement pursuant to this section.

SECTION 8. AMOUNT DUE

The amount due under an installment agreement shall be eligible delinquent taxes plus the interest that is to accrue on each installment payment up to and including the date on which each payment is to be made. The agreement shall provide that the amount due shall be paid, as nearly as possible, in equal amounts on each payment due date. Each installment payment shall be due on the last day of the month in which it is to be paid. Such payments shall be applied first to interest, penalties, and other charges, then to principal.

As used herein, the term "principal" shall mean the amount of the delinquent tax excluding all interest, penalties, and other charges.

SECTION 9. INTEREST AND PENALTIES.

(a) Interest on the total amount of eligible delinquent taxes, less the amount of the down payment made by the eligible owner, shall be that amount as determined pursuant to Section 924-a of the Real Property Tax Law. The rate of interest in effect on the date the agreement is signed shall remain constant during the period of the agreement. If an installment is not paid on or before the date it is due, interest shall be added at the rate prescribed by Section 924-a of the Real Property Tax Law for each month or portion thereof until paid. In addition, if an installment is not paid by the end of the fifteenth calendar day after the payment due date, a late charge of five percent of the overdue payment shall be added.

(b) Waiver of interest and penalties for certain eligible deployed military members. The County Treasurer is authorized to waive interest and penalties, provided that:

(i) The financial hardship was caused in substantial part by the eligible owner's having been ordered to active military duty in the United States armed forces including the reserve components of such armed forces.

(ii) The deployment lasted for at least six contiguous months, or the owner was killed in action during such activation; and

(iii) The owner or estate must provide satisfactory written evidence to the County Treasurer prior to foreclosure including documentation from the armed forces showing the eligible owner meets criteria (ii) above.

SECTION 10. DEFAULT

(a) The eligible owner shall be deemed to be in default of the installment agreement upon:

(i) Non-payment of any installment within thirty days from the payment due date;

(ii) Non-payment of any tax, special ad valorem levy or special assessment which is levied subsequent to the signing of the agreement by the County, and which is not paid prior to the expiration of the warrant of the collecting officer, or

(iii) Default of the eligible owner on another agreement made and executed pursuant to this local law.

(b) In the event of a default, the County Treasurer shall have the right to require the entire unpaid balance, with interest and late charges, to be paid in full. The County shall also have the right to enforce the collection of the delinquent tax lien pursuant to the applicable sections of the law.

(c) Where the eligible owner is in default and the County Treasurer does not either require the eligible owner to pay in full the balance of the delinquent taxes or elect to institute foreclosure proceedings, the County shall not be deemed to have waived the right to do so.

SECTION 11. NOTIFICATION OF POTENTIAL ELIGIBLE OWNERS.

(a) Within forty-five days after receiving the return of the unpaid taxes from the collecting officer, or as soon thereafter as is practicable, the County Treasurer shall notify, by first class mail, all potential eligible owners of their possible eligibility to make installment payments on such tax delinquencies. The County Treasurer shall add one dollar to the amount of the tax lien for such mailing.

(b) The failure to mail any such notice, or the failure of the addressee to receive the same, shall not in any way affect the validity of taxes or interest prescribed by law with respect thereto.

(c) The County Treasurer shall not be required to notify the eligible owner when an installment is due.

SECTION 12. TAX LIEN

The provisions of this local law shall not affect the tax lien against the property except that the lien shall be reduced by the payments made under an installment agreement, and that the lien shall not be foreclosed during the period of installment payments provided that such installment payments are not in default.

SECTION 13. EFFECTIVE DATE

This local law shall take effect on the date it is filed in the Office of the Secretary of State.
