

Keels & Wheels Explore History Through Cars and Boats

Beginning in the late 19th century, the world's fascination with cars and boats grew over the years into a popular culture of its own. Collection, restoration, and preservation of these historic transportation

artifacts of past eras is the love of many individuals across New York State. In honor of Wayne County's Bicentennial, one car and one boat from every decade beginning in 1903 to the present will be featured in this special show. There are over 20 unique keels and wheels units in the show, like the 1903 Cadillac shown above.

The event, sponsored by the Wayne County Bicentennial, Sodus Bay Yacht Club, Sodus Bay Junior Sailing Association, and the Sodus Point Summerfest, will be held at the Sodus Bay Yacht Club at Sodus Point on July 22, 2023, from 10 AM to 4 PM.

Keels and Wheels is free and open to the public. Parking is in the village of Sodus Point. Lunch vendor available at the event. This event is also weather dependent.
