Home Delivered Meals

We provide nutritious and well-balanced meals for clients who are 60+ and are homebound, unable to prepare meals on their own, and lack family support. These meals are provided at no cost, although contributions are appreciated. An assessment is required to establish eligibility and no one who is eligible is denied a meal for inability or unwillingness to contribute.

Nutrition Counseling

Our registered dietitian is available to meet individually with older adults and their caregivers to answer nutrition-related questions and demonstrate the role that diet can play in overall health and well being. There is no charge for this service, but contributions are appreciated.

Farmers' Market Coupon Program

We distribute NYS Farmers' Market Coupon booklets at Lunch Club 60 centers, our office, and senior housing facilities throughout the county. Coupons are generally available on a first-come, first-served basis in the months of July and August. The goal of the program is to increase consumption of locally-grown fresh fruits and vegetables.

Programs and services provided by the Department of Aging and Youth are funded by the Older Americans Act, the New York State Office for the Aging, Wayne County, and contributions. Contributions are free and voluntary and should reflect your own personal financial situation. Individuals with a self-declared income at or above 185% of the federal poverty level are encouraged to contribute at levels based on the actual cost of service.
