

Wayne County Official List of Nominations

To the Voters of the County of Wayne, State of New York:

It is hereby certified, pursuant to the provisions of Section 4-122 of the Election Law, that the following named persons have been nominated as the candidates for the respective offices named herein to be voted for at the next General Election to be held on the fourth day of November, 2014.

PROPOSITIONS

PROPOSAL NUMBER ONE, AN AMENDMENT

Revising State's Redistricting Procedure

The proposed amendment to sections 4 and 5 and addition of new section 5-b to Article 3 of the State Constitution revises the redistricting procedure for state legislative and congressional districts. The proposed amendment establishes a redistricting commission every 10 years beginning in 2020, with two members appointed by each of the four legislative leaders and two members selected by the eight legislative appointees; prohibits legislators and other elected officials from serving as commissioners; establishes principles to be used in creating districts; requires the commission to hold public hearings on proposed redistricting plans; subjects the commission's redistricting plan to legislative enactment; provides that the legislature may only amend the redistricting plan according to the established principles if the commission's plan is rejected twice by the legislature; provides for expedited court review of a challenged redistricting plan; and provides for funding and bipartisan staff to work for the commission. Shall the proposed amendment be approved?

PROPOSAL NUMBER TWO, AN AMENDMENT

Permitting Electronic Distribution of State Legislative Bills

The proposed amendment to section 14 of Article 3 of the State Constitution would allow electronic distribution of a state legislative bill to satisfy the constitutional requirement that a bill be printed and on the desks of state legislators at least three days before the Legislature votes on it. It would establish the following requirements for electronic distribution: first, legislators must be able to review the electronically-sent bill at their desks; second, legislators must be able to print the bill if they choose; and third, the bill cannot be changed electronically without leaving a record of the changes. Shall the proposed amendment be approved?

FORM OF SUBMISSION OF PROPOSAL NUMBER THREE, A PROPOSITION

Smart Schools Bond Act of 2014

The SMART SCHOOLS BOND ACT OF 2014, as set forth in section one of part B of chapter 56 of the laws of 2014, authorizes the sale of state bonds of up to two billion dollars (\$2,000,000,000) to provide access to classroom technology and high-speed internet connectivity to equalize opportunities for children to learn, to add classroom space to expand high-quality pre-kindergarten programs, to replace classroom trailers with permanent instructional space, and to install high-tech smart security features in schools. Shall the SMART SCHOOLS BOND ACT OF 2014 be approved?
