2019 FIRE TRAINING

FILO

Fire Investigation for the Line Officer

This course discusses the legal authority, and who has the responsibility, to conduct fire investigations. Students learn about fire scene security and their role in the identification and preservation of evidence potentially relevant to a fire investigation. Participants are provided an overview of the fire investigation process to assist in meeting requirements of General Municipal law §204d, and so they can recognize instances where a certified fire investigator should be requested.
