

## Finger Lakes Hired, ACCES-VR and Finger Lakes Works! invite you to the 1st Advanced Manufacturing Recruiting for Careers Fair

Finger Lakes Hired is partnering with ACCES-VR to bring qualified businesses to your doorstep. Each job seeker will be selected by our agencies and is looking for either an Entry-Level, Mid-Level or High-Level Advanced Manufacturing position.

### What to Expect

- You will have your own table set up to attract the businesses' attention.
- You will arrange your table in a way that will describe your career in Advanced Manufacturing or a career you are interested in.

### What is the Process

As businesses enter the event, they will stop at tables based on the positions they are looking for and the tables that capture their eye. At that time, you will be able to speak with the business to sell your skill set. You will have your own table to set up to highlight your skills and accomplishments in the Advanced Manufacturing industry. When setting up your table, think of a regular job fair and the tables that capture your attention. Incorporate visuals to pull them in, achievements that validate your level of skill and prepare an elevator speech to keep them interested. Recruiting for Careers Fair is a closed event so only a certain number of candidates will be invited. What will you do to stand out from the crowd?

### Incentives

Job seekers who attend this event will have the opportunity to speak 1 on 1 with businesses. In an age where applications are done online and the person to person seems to be a thing of the past, Recruiting for Careers Reverse Job Fair will set you up with a different opportunity to apply for positions.

### Contacts
