

Wayne County Hazard Mitigation Plan Public Kick Off Meeting

Hazard Mitigation planning is an initiative aimed at lessening the impact of natural hazards that the County and its jurisdiction faces. This is done by completing an assessment of the hazards and how vulnerable the County is to those hazards. The next step is to come up with mitigation projects for each hazard that affects the County and its jurisdictions. Best of all, by completing an approved Hazard Mitigation Plan it will open the opportunity for participating municipalities to apply for FEMA grant funds.

This is where each one of you come in!

We need your input into the plan because you know this area better than anyone else. By participating in this meeting, you can represent your community and give valuable experiences and ideas to the planning process.

To learn more please join us at the meeting.

This is an open public meeting.

The meeting will be held at the **26 Church Street 2nd Floor, Lyons, NY 14489** and the meeting will begin at **10:30 a.m. – 11:15 a.m. on October 15th, 2019**

Please **RSVP** to the contractor Brittney Whatley whose email is **Brittney@boldplanning.com**
